Hospice Shoppe Volunteer Code of Ethics and Pledge of Confidentiality

I realize that I am subject to a professional code of ethics for the work I do. I acknowledge that I assume certain responsibilities and expect to account for what I do and how I behave.

I promise to take to my work an attitude of open-mindedness and respect for beneficiaries, team and community. I realize I have unique talents and gifts, which I can use to enrich the lives of the people I work with and serve.

I will work at being an active member of the Hospice team and effectively collaborate with all stakeholders and partners. I will value my own contributions as well as the contributions of others. I will act responsibly and work in good faith and with integrity towards the achievements of our goals. I believe that my attitude should be professional; that I have an obligation to my work, to my colleagues, to those for whom it is done, and to the members of the public.

I understand that Hospice work is not to change people, but to be with them where they are. I will not bring personal agendas or missions to my Hospice work. I believe in the purpose and mission of Hospice and will act respectfully, responsibly and prudently as its steward.

I will stay informed about what's going on in the organization and actively work to support Hospice. I will positively represent the organization in the community and publicly support the priorities and activities of Hospice.

I will abide by the direction and decisions of the Executive Director and the Board of Directors and support in a positive manner all actions/decisions made by them. I will refrain from "speaking out of school" and/or speaking negatively regarding any decisions made by management and Board of Directors.

I understand that in the performance of my duties, I must hold information regarding Hospice and The Hospice Shoppe confidential, including financial information. I understand that intentional or involuntary disclosure of confidential information and/or failure to follow approved Hospice policies and procedures may result in my immediate termination. I acknowledge that I have read The Hospice Shoppe Volunteer Handbook and I promise to adhere to the policies and procedures within.

I will resign my position as a volunteer, for any reason, I find myself unable to carry out the above pledge and/or my duties to the best of my abilities.

Re: Police Check for The Hospice Shoppe

Hospice Greater Moncton is a community non-profit healthcare charity whose mission is to provide comfort, care and support to people and families facing end-of-life issues.

The Hospice Shoppe is a retail store owned by Hospice Greater Moncton that sells donated new and second hand goods. All proceeds from The Shoppe are used to fund our free community programs and services, as well as funding for the Residential Hospice which is currently in the planning process.

Part of Hospice's mandate is to have our new volunteers who take our volunteer training program agree to a police record check. Please process a record check for:
